This week's app round-up has something for Facebook fans, car drivers and the organised. Make your smartphone even smarter with these apps.

➤ **Broadcast for Friends** allows you to record and air live video directly to your Facebook wall.

➤ **Drive OFF** deactivates SMS and call notifications once you start going faster than 15 km per hour.

➤ **Regularly** organises weekly chores according to priority and reminds you when you set them aside for later.
