HAVELOCK ISLAND Andamans

Escape to this isolated beach paradise, a ferry ride away from Port Blair. Wake up to the sound of waves slowly crashing on the shore and a Bay of Bengal that resembles a giant placid lake. The tropical paradise is perfect for those who love pristine beaches. Wander hand in hand and discover gorgeous flora and fauna. Get an adrenaline high on scuba diving or snorkelling, in clear blue waters filled with coral and marine life. Later that night, watching the ocean shimmer in the moonlight from your shack as you snuggle up together makes a perfect end to the day.

Havelock has plenty of cottages and beach resorts at various price points lined up along the ocean. Check out www.havelock.co.in
