FIVE YEAR DUAL DEGREE BBA + MBA

Five year Dual Degree BBA and MBA program has a facility for optional exit at the end of Bachelors part of the course. At the end of BBA degree, students have the option to directly enroll into the MBA degree, thus saving on the rigours of going through a separate entrance examinations. Affordable fee structure is another lucrative criterion of this program.

FOUR YEAR INTEGRATED MBA

The four-year Integrated MBA program has been designed with a purpose of creating management professionals who can contribute positively to the global market. It provides them with an intensive value oriented teaching learning methodology which creates the capacity to be responsive towards the issues of global business. This affords a good opportunity for students seeking 4 Years of continuous education after 10+2. Students earn MBA degree after four years.

B.COM (HONOURS)

The Bachelor of Commerce (Honours) degree is designed to provide students with a wide range of executive skills, while at the same time building competence in a particular area of business. Indus University's B.Com (Hons.) Programme is designed to build student's competency in the field of commerce and is in response to the issuance of the new set of Accounting and Reporting Standards set out by the Ministry of Corporate Affairs.

UGAT SCORE AND IT'S INTERPRETATION

1. The Under Graduate Aptitude Test (UGAT) is designed to measure the aptitude of a candidate for Integrated MBA (IMBA), BBA, BHM, BCA, etc.
2. For candidates applying for Integrated MBA (IMBA), BBA, BCA, etc. (other than BHM), there are four sections viz English Language, Numerical and Data Analysis, Reasoning & Intelligence and General Knowledge.
3. For candidates applying for BHM, there are two additional sections viz Service Aptitude and Scientific Aptitude.
4. The scores given are normalized using the formula : $\{(\text{Marks Scored by the Candidate} / \text{Marks of the Highest Scorer}) \times \text{Maximum Marks}\}$.
5. The percentile below column indicates the percentage of the number of candidates who scored below that of the candidate. The percentile below is calculated using the formula: $\{(\text{Maximum Rank} - \text{Rank of the Candidate}) \times 100\} / \text{Maximum Rank}$
6. The composite score is an overall normalized score based on first four sections.
7. Personal Data is as reported by the candidate.
